WASSCE

WORK EXPERIENCE

Software Developer: July 2016 – Present

Nymbols Labs, Lagos

- Build websites for clients
- Integrated Payments systems for websites
- Monitor and troubleshoot client's websites

Robotics Facilitator: October 2016 – Present
CodeSpark Nigeria, Lagos

- Teach kids how to code and control robots with their code.
- Designed robotics curriculum to fit the Nigerian environment
- Designing a Web Platform in .NET that will enable a public Code Club for Nigerian kids.

Software Developer: May 2015 – June 2016
Parkway Projects Limited, Yaba, Lagos

- Built new and supported old Modules for the Company's Financial Enterprise Web application, InfoGRID Bank 3D (BankCollect) used by several banks across Africa.
- Built a POS Adapter Module for InfoGRID. Client: Payporte/SkyeBank
  The solution pulls data from Payporte's webservice and allows customers to pay in Skye Bank branches, on POS machines and also on the web.
- Built a ReadyCash Module for InfoGRID.
  The solution enables Microfinance Banks to use Parkway's ReadyCash Mobile Money solution's features in-branch.
- Built an API allowed EcoBank's Banking Application to connect to InfoGRID using Mule ESB.
- Built the core for integrating ReadyCash to the Stellar Network.
- Supported live financial applications around the clock.

Intern: January 2011 – May 2011
Institute of Chartered Accountants of Nigeria (ICAN), Ilupeju, Lagos
- Supported over 40 staff members for Internet, Intranet & Hardware issues.
- Developed a solution (in Microsoft VBA for Excel) to solve IT Department's mailing problem.
- Used initiative to network-share all available printers which improved staff efficiency and reduced the need for new printers;

Computer Tutor: February – June 2014
PowerNet Café, Brass Island, Bayelsa
- Taught students Microsoft Office Suite including FrontPage® and CorelDraw®
- Encouraged students to be independent learners.

National Youth Service Corps (NYSC): July 2013 - June 2014
Community Primary School 1, Twon-Brass, Brass Island, Bayelsa
School IT Staff / Computer Studies Teacher
